

Bristow, VA – 28 September 2012 - Leading Technology and Professional Services Provider JAB Solutions (JAB) has been selected for the Department of Homeland Security Program Management and Acquisition Support Contract, valued at \$3,999,940.38.

About JAB Solutions

JAB, a certified 8(a) and Service-Disabled Veteran-Owned Small Business (SDVOSB) is one of the fastest growing professional services and technology solutions providers in the United States. JAB provides overarching acquisition, program management and business IT strategies that promote interoperability, risk identification and risk management, and overall lifecycle management support. Our staff consists of a cadre of experts experienced in the Federal Government and private sector. We employ a management methodology that allows us to adopt industry standard tools to support our management activities while monitoring contract/project metrics and costs from our DCAA-approved accounting system to provide an accurate and timely picture of progress and budgetary status within each task or activity. JAB is headquartered just outside the Nation's Capital in Bristow, Virginia, with key offices in Pittsburgh, PA, Anchorage Alaska. To learn more, visit www.jab-llc.com.
