CREATING VALUE...
DELIVERING RESULTS

JAB, founded in 2007, provides a suite of professional services and cutting edge technology solutions for government clients. We are process driven and results focused with the highest standards of ethics and integrity in all aspects of our business model. JAB possesses a significant degree of expertise and past experience in both Defense and Civilian agencies. We are dedicated to exceeding our client's expectations through lifecycle project management that incorporates industry best practices and risk mitigation.
